THE SKIP YEAR IN REVIEW

WOW! What a year! Since our spring concert in 2005, SKIP has been busy promoting the incredible talent that we have right here on our island. The day after the concert, 12 SKIP dancers traveled to Manila to star in the ABC Television Series, Club TV. What an amazing three weeks! 26 shows were taped including production numbers with hundreds of back up dancers and a special section called SKIP WORX, teaching the latest dance steps. In addition to the grueling television schedule, the group staged 10 performances in Manila, Cebu and Davao promoting SKECHERS. Coming back to Guam, there were only a couple of weeks to prepare for the National Dance Finals in Dallas and New Orleans! In route to the national dance finals, SKIP stopped in LA to work with choreographer, Andre' Fuentes. After working with Andre', the group was critiqued by Hip Hop Guru, Brian Friedman. Evidently the critiques paid off as the group continued the SKIP tradition of winning most all the categories they entered. In addition, SKIP danced away with the big awards including the ShowBiz National Pre-Teen Championship, the StarPower National Pre-Teen Small Group Championship and the StarPower National Sr. Large Group Championship. Saying goodbye once again to Michael Lomeka at the end of the national finals was bitter sweet. He is leaving us for a while to take the stage in Las Vegas dancing in the Celine Dion Show. Chad Knapp returned to San Diego State University to complete his degree, but will be returning prior to competition to make final preparations for the national finals.

After arriving back on Guam, SKIP sponsored the StarQuest Talent Search and the Back to School Bash featuring Disney singers, the Beu Sisters, Michael Jackson's choreographer, Glenn Packard and up and coming star, Sean van der Wilt. Congratulations to Guam' Star Quest Winner, Brandi J. Aguon. We also said farewell to of three of our four 2005 high school graduates. Chloe Kernaghan is on scholarship at the Tisch School of the Performing Arts at NYU, Patrick Wolff is attending the University of Pennsylvania where he starred in the University Production of *Grease* and Dorian Nelson said "bon voyage" as he danced his way across the Caribbean on Celebrity Cruise Lines. Michelle Esperon is continuing with SKIP while she is pursuing her degree at UOG.

Guest Choreographers for the year included Tabitha and Napoleon D'umo, the hottest hip hop teaching duo in the nation. Andre' Fuentes, former Britney Spears dancer and choreographer for Prince made his third stop on Guam to choreograph for the company and teach workshops for all the SKIP dancers. Michael Lomeka came back for a couple of weeks, and SKIP welcomed Tammy Torres Tabu back into the studio. Last but certainly not least, SKIP welcomed Christopher Michael Jones, star of *You Got Served* to Guam to conduct Hip Hop and Street Dance Workshops and also to choreograph for the touring company. Each of these teachers came to Guam to inspire and motivate our very talented dancers.

A HUGE Honor was recently bestowed on the SKIP Entertainment Company. Dance Teacher and Dance Spirit, the major dance trade magazines out of the US, select the top 50 dance studios in the entire United States. The SKIP Entertainment Company was recognized as one of the top 50 dance studios in the nation for 2006. Coming from our tiny island, this recognition was so unexpected!

We are so thankful for all the support we have received. From the beginning, we have had the full support of businessman, Phil Flores, former Governor Joe Ada and Tony Lamorena. They were with us in the beginning, over 20 years ago. We would also like to thank all the families who have been there day in and day out supporting their children. For the first year since the inception of the SKIP Entertainment Company, we do not have a "Wolf" in our touring company. I guess we will have to wait for a grandchild from Vivian and Patrick Wolff! Speaking of grandchildren, we do have kids of our original members! Success can be measured in many ways, but when the original SKIP kids have their kids dancing in the studio, we know we are on the right path.

This was such an eventful year, we don't know how we will top it for 2007, which will be our 25th anniversary!

Again we are humbled by the support of our SKIP kids! Thank you to each and everyone who has contributed to the success of our dancers! Special thanks to TJ Cruz. It is so enjoyable to see what an incredible choreographer you have become. We will miss you next year. And finally, congratulations to Shiina Kuniyoshi, Arielle Dimalanta and Maylee Vo on your high school graduation. We never say "goodbye" as we know you will be back!!!!

Christopher Michael Jones

Christopher was born on February 4, 1982 in Myrtle Beach, South Carolina and at age four began dance classes. He immediately showed a love for performing in front of audiences and competed in numerous dance competitions around the country.

Since moving to Hollywood, Christopher has been seen dancing on television with numerous artists like "P. Diddy and Busta Rhymes" in the Soul Train Awards, "Dream" in the Lady of Soul Awards and Teen Choice Awards, and alongside Britney Spears in the MTV VMA's 2000 and in her Pepsi commercials. He is in numerous music videos with musical groups.

He continues to teach dance regularly in studios throughout California and as a celebrity instructor across the country and world wide with workshops, dance conventions and competitions such as SOURCEDANCE, choreographs numbers for projects, competitions, stage productions, and shows around the US.

Christopher's acting and dance abilities came together in his starring role for the number one movie box office hit "You Got Served". In the film he plays a spiky-haired rich kid from Orange County that leads a group of street dancers into competition called "battles".

Andre Fuentes

Andre currently teaches dance at the Edge Performing Arts Center in Los Angeles. His current project includes performing in The Carnival "Choreographers Ball".

Andre has danced and worked for Britney Spears and No Doubt. He is also a SourceDance Australia Faculty member.

Andre has been involved with several Britney videos to include "Overprotected", "I'm a Slave 4 U", "Oops!... I Did It Again", "(You Drive Me) Crazy", "Born To Make You Happy" and "Sometimes".

He has worked on various television series such as "Kids Incorporated", "Boy Meets World" and appeared in "The Birdcage". Andre choreographed Prince's video "The Greatest Romance That Has Ever Been Sold", Pepsi commercials and danced for Britney in numerous television shows, award shows, and all but one tour.

Tabitha & Napoleon D'umo

A Dynamic Duo
in the World of Dance

Tabitha and Napoleon recently choreographed music videos, award shows and tours for Columbia Recording Artists, Solange and musical group, Ramiyah. The choreographic team has also danced with such popular artists as Destiny's Child, Toni Braxton, Sisqo, Monica Bubba Sparxxx and Timberland. Tabitha and Napoleon have worked Legally Blonde, One on One, Resurrection Blvd, as well as numerous Award Shows including The Grammy's, The Billboards and Soul Train. In addition, the duo can be found in Hollywood teaching at the Edge Performing Arts Studio or on faculty with SourceDance Australia.

Michael Lomeka

Having moved to Guam during his high school years, Michael trained with the SKIP Entertainment Company. During his competition years, he was named Mr. ShowBiz at the ShowBiz National Talent Competition. He also represented Guam on the Popular International Star Search Television Show.

Michael was selected as the first and only dancer from Guam to be selected to attend the Julliard School of Dance. Following graduation, he was in the "King and I" on Broadway until Mikhail Baryshnikov selected him to tour with the White Oak Dance Company. Guam audiences were thrilled when the company performed on Guam in 2001.

Michael returned to Guam to teach at the SKIP Studio to give back to his island. Currently Michael can be seen in Las Vegas in the Celine Dion Show. He continuously returns to work with the SKIP dancers as he did this past February. Michael is a "made on Guam" story!

TJ Cruz

Born and raised on the island of Guam, TJ spent many years training at the SKIP Dance Studio. Following the footsteps of Michael Lomeka, TJ was also named Mr. ShowBiz at the ShowBiz National Talent Competition a few years later!

After graduating from high school, TJ moved to Hollywood for additional dance training. He has returned to the studio this year to work with the up and coming dancers.

Chad Knapp

Chad is more known in the arena of football and rugby. However, having danced for many years at the SKIP studio, he learned the fundamentals of creating a winning team. With his "athletic coaching" style of teaching, he moves the dancers toward perfection and motivates them to excel. He returns to Guam in May to "clean up" and prepare the dancers for the national finals. Chad is also the marketing director for SourceDance Australia.

- ☀ Seal gaps on doors and windows to prevent warm outside air coming into the house.
- ☀ Take short showers. Saving water also saves energy.
