# Message

It is with a heavy heart, yet peaceful feeling that we write this message. It may seem strange to see the message page about someone who never danced with SKIP or ever professed to be a dancer. However, we do believe that everyone who reads this message has somehow been impacted by this quiet yet bigger than life personality, Tony Thompson, "Thomps." We first met Tony when he first moved to Guam as a coach of our son, Brandon who was attending FD and was on the basketball team in the "Jungle." We learned real quick that he was the real deal, an incredible coach, teacher and counselor. He could joke around with each of the kids, but when he was serious they knew it and would work so hard for him. Never once did we hear him yell or hear an unkind word come out of his mouth. Our other sons, Andre and Chad also had the opportunity to work with him. He was much more than a coach, principal, teacher and friend. He was the one we would suggest our sons talk to if they needed advice in an area of their lives as I am sure many parents did throughout the years. He would always listen no matter how big or small and make sound suggestions. We don't know how he did it but he was able to keep track of most all of the kids he worked with throughout their lives.

Some may not know but he was a huge advocate of the performing arts and made sure the FD Phoenix Center would have a place for performances for the school and community. We worked with him several years ago to produce several musicals for the FD Friars and other community members. He was always on the look out to find activities that would interest all students not just the athletes including the debate team and Academic Challenge Bowl. In addition he was always looking for opportunities, opening doors for students to succeed past high school. He continually stressed higher education.

No job was ever too big or too small for him. We would see a photo of him in a tux representing Guam in various parts of the world in the most dignified way and then the next night we would see him sweeping the court in his shorts and Nike's. That was who Tony was - he never took anything for granted.

We believe Tony was such a huge influence because he had his priorities in order: God, Family, and then everything else. FD and the community of Guam were so fortunate that his family shared him with us during his short life here on earth, making our lives better by knowing him. He had this way of making everyone smile. He was always a proud "Papa" to the kids that he nurtured into adulthood. His shoes are huge and will never be completely filled. If everyone who he made a better person by watching his example could devote their life to the will of God, to love their family more and take more time to be an exemplar example to our youth - his legacy will continue.

It is not ours to question why he was taken from us on earth. It is all in God's plan that we may never understand. Take the time to give Angela and the rest of his Family an extra hug and keep them in your prayers as they will be needing lots of support in the months to come.

The point of this message: Get your priorities in the right order: God, Family, and then everything else. None of us know when God will call us home. It is not GoodBye, Thomps, it is - "we'll meet up again."

# SKIP HISTORY

The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! SKIP originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers who have come to Guam to choreograph for the SKIP Entertainment Company are the Who's Who of Dance including Ray Leeper, Tina D'Amato, Tabita & Napoleon Dumo, Dee Caspary, Tony Czar, Tucker Barkley, Andre Fuentes (RIP), Ambrose Respicio, and many more.

The SKIP Dancers began touring in 1985 when the first group toured the US Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. From 1991 through 2010, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Weisbaden, Germany. International recognition was brought back to Guam once again when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002, the Canadian National Finals in 2000, 2004, 2008, 2012 and 2016 and the Czech Republic Dance Festival in 2007. In 2014, SKIP represented Guam at one of the most difficult and prestigious competition showcases in the world - the PULSE Showcase in Las Vegas. The judges included Brian Friedman and Chris Judd. SKIP won one of the top awards and was invited back as a guest to showcase. In 2014, the group once again won the championship at the European Grand Prix in Barcelona Spain and performed at the prestigious HEAVEN beach club in Marbella Spain.

During the past several years, SKIP has continued to win top awards in five countries including the US, Canada, Australia, Czech Republic and Italy. SKIP was also selected to audition for America's Best Dance Crew and made it through to the final selection. For the past several years, SKIP dancers have teamed up with dancers from the US and Australia as a part of EMPIRE, THE CREW to win the Championships at the Battlegrounds Hip Hop Competitions in Australia.

The group has become well known on youtube - again representing Guam. During this past year - the choreography of Brian Esperon along with the SKIP Dancers has been recognized by DanceOn Network numerous times throughout this year as one of the top 5 choreographers (worldwide) of the week. He has also been recognized by Chris Brown, Nicki Minaj, Cardi B and Jason Derulo. In addition SKIP dancers were featured on the latest Steve Aoki Music Video. These are huge honors for our island dancers to be recognized as some of the best in the world.

SKIP has also been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

In 2017, SKIP returned to North America for the KAR National Championships in Las Vegas and the MOVE National Dance Finals in Palm Springs. They won the top award, overall Championship at each of the US National finals. This year SKIP will be returning to the US Championships in Myrtle Beach, South Carolina and Los Angeles.

In October, 2016 SKIP added a second state of the art studio beginning a new chapter of training for the students on Guam including the new ballet program under the direction of Co-Director Francesca Ambrose. In the summer of 2018 a fitness studio will be added to encourage fitness in all kids. The future continues to be bright for Guam's up and coming dancers.

CONGRATULATIONS

# CONGRATULATIONS ON 34 YEARS OF PERSONAL AND GROUP ACHIEVEMENT!

The iconic Martha Graham once said, "Great dancers are great because of their passion."

We believe all greatness - whether in the arts, humanities, business, science or public service - is rooted in passion.

For more than 3 decades, SKIP groups have passionately represented our island to the world and collected numerous awards and accolades along the way.

At the same time, SKIP has taught and inspired thousands of students and young adults to discover their individual passions and achieve greatness wherever they go and whatever they do in life: at home and abroad, on stage and off, at school, on the job, and in service to their communities.

Dangkulu na si Yu'os ma'ase SKIP for your positive impact on individuals and our community through the years.

And to current SKIP performers, GOOD LUCK IN MYRTLE BEACH AND ANAHEIM and enjoy every step along the way to discovering your own passions!

# Thank You!

Dear Mr. & Mrs. Knapp,

Another year, another great show! You, along with some very talented children and their parents, collectively are the "Greatest Showman"!

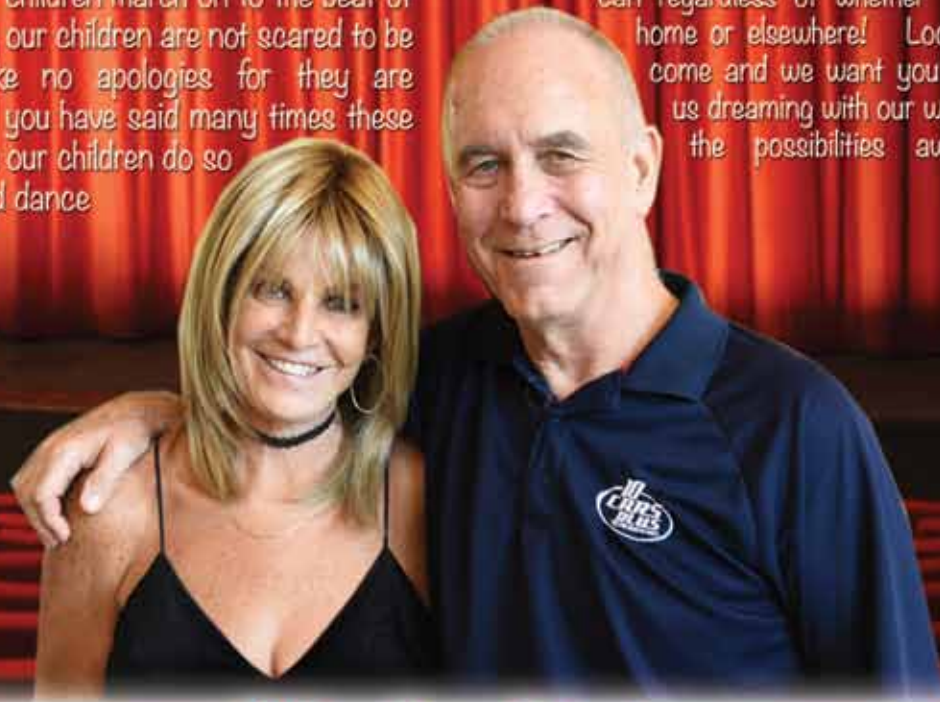

You have been very influential in putting on the greatest dance shows Guam has seen.

You definitely know how to motivate children and their parents to continue putting on the greatest shows for all of Guam and the rest of the world to see and enjoy.

You know our children march on to the beat of their own drum, our children are not scared to be seen and make no apologies for they are themselves and you have said many times these are the reasons our children do so well in off-island dance competitions.

A million dreams are what keep our children awake when they think of what the world could be and you have helped make dreams come true for all our children and for that, we are truly appreciative of the time and attention you have given hundreds of children here in Guam over the last three decades.

SKIP will never be what it has been to so many of our island children without you. You are like a preacher in the pulpit with just the right amount of devotion and persuasion needed to get our children to believe in themselves and to have the confidence needed to put on the greatest show they possibly can regardless of whether that show is here at home or elsewhere! Look out 'cause here we come and we want you to be right there with us dreaming with our wide eyes open about all the possibilities awaiting our children!

*We Love You!*
