MESSAGE

The foundation of SKIP was established by a group of kids (now in their 50s) and their dedicated parents. In those early years, we were fortunate to receive unwavering support from Governor Joseph F. Ada and Tony Lamorena, whose encouragement brought Guam into the spotlight in the dance world. Our best expression of gratitude to Phil Flores for his continuous generosity is our commitment to excellence in all our endeavors.

We are incredibly fortunate and honored to have a 100% "SKIP-grown" teaching staff who deeply understand the SKIP dance culture and elevate all dancers to the highest level. Thank you to our esteemed choreographer and concert director, Brian, as well as our dedicated teachers Nathan, Gabbie, Lauryn, Lizah, Bree, Dee, Kayle, Secilia, and Sophia—especially Ms. Fran, who has taught nearly every student you see on this stage. We also extend our gratitude to Michelle, who has been our go-to person for managing our concerts and a million other responsibilities throughout high school, college, and her career. While not quite homegrown, we are immensely grateful for the loving care provided by our front office, Ms. Jean. Our shows are always enhanced by our lighting, sound, and sets crew led by former SKIP dad, Nick Perez, and Jeff San Nicolas.

We are eternally grateful to the Saymo family, who have had dancers showcasing their incredible talent for 39 years, starting when Fran began dancing with SKIP in 1986. Since then, there has been a Saymo child or grandchild dancing on the SKIP stage, including her four children: Avery, Lauryn, Evan, and Nia. Additionally, Saymo's eldest sister has contributed five amazing dancers: Ashley, AJ, Aaron, Asia, and Aidan. In the 2014 SKIP concert, there were nine Saymo kids dancing within the SKIP company. Tonight, the youngest of this generation, Aidan, will be dancing on this stage for the last time as a SKIP Senior Company member. We are so fortunate to have this family grace our stage, and we can't wait for the next generation of Saymo kids! SKIP is generational!!!

As we reflect on every individual who has been part of the SKIP family, our hearts are full. We cherish each one of you! Here's to many remarkable years ahead for all of our kids and their future generations to ELEVATE! Thank you for celebrating with us. Cheers to the journey ahead!

HISTORY

The SKIP Entertainment Company (SKIP) stands as a remarkable success story in Guam. Established in 1982 as a project of Children's Productions, Incorporated, originally known as the Sunshine Kids in Production, SKIP evolved from staging children's musicals to focusing on dance, creating opportunities for thousands of Guam's youth. Instructors and choreographers from Los Angeles and New York City frequently visit Guam to offer world-class training, and we extend our heartfelt gratitude to all who have contributed to this mission.

The journey of SKIP has always transcended dance, fostering a constructive outlet for participation and enjoyment. It has grown into a nurturing environment that promotes values such as respect, commitment, teamwork, mutual support, self-confidence, and effective time management. Additionally, it offers young minds the chance to broaden their perspectives and embrace diverse cultures through travel. Since beginning their tours in 1985, SKIP Dancers have participated in competitions and performances across the U.S. Mainland, Canada, Europe, and Australia every year. In 1991, they gained international recognition by performing on International Star Search, which aired in over 63 countries, and they were selected to appear again on Ed McMahon's Star Search later that year. That same year, SKIP dancers graced the cover of the national dance publication PERFORMER'S EDGE. Between 1991 and 2024, SKIP garnered numerous National and International Dance Championships, highlighted by winning the International Choreographic Leo's Gold Award at the Jazz Dance World Congress at the Kennedy Center. Most recently, they claimed the coveted Victory Cup at the Revolution National Championship and achieved the highest performance score at the Showstopper National finals.

We take great pride in the accomplishments of all those associated with the SKIP Touring Companies. Notably, our members have an impressive 95% college graduation rate. Today, SKIP alumni thrive in various fields, including education, healthcare, law, business, accounting, and counseling.

This summer, SKIP is excited to return to Canada to compete in the Dance World Cup event.

SENZORS

AIDAN

Saymo Arizala

For 17 year-old Guam High School Senior Aidan Arizala, "One of the most 'elevating' memories I've had in SKIP was traveling to Australia to compete in World Supremacy Battlegrounds (WSB). Compared to the National competitions in the States, WSB had much more international competitors, including many Southeast Asian countries. This experience alone allowed me to realize how vastly diverse the world of dance truly is—and if it weren't for SKIP, I don't believe I would have ever had this huge opportunity, coming from such a small island."

SOFIA

Blas

For 16 year-old Notre Dame High School Junior Sophia Grace Blas, "One memory that comes to mind when I think of the word Elevate in SKIP was the season I moved up to the Senior group. After so many years with SKIP, that moment had finally felt like I made it. Little did I know, that season brought an unimaginable amount of growth to my life as a dancer. We were pushed to greater limits and were constantly being built up by new choreographers, our own instructors, and by each other. That was when I felt like I was truly elevated."

BAILEY

Cruz

For 15 year-old Notre Dame High School Sophomore Bailey Cruz, "In 2024, SKIP Company competed in Vegas and then traveled to Galveston, Texas, where a storm had just passed. With power outages and limited places to stay, dancers and parents came together, supported one another, and pushed through the challenges. Our resilience paid off as we proudly brought home a win for our island of Guam."

A full-page photograph of three young women, Taylor Cruz, Sarai Dela Cruz, and Karyse Herrero, posing in dance attire against a dark red background. Taylor is on the left, wearing a black leather jacket over a white crop top and a white pleated skirt, with her arms raised. Sarai is in the center, wearing a white crop top, a black skirt, and a black leather jacket, with one hand on her hip. Karyse is on the right, wearing a black leather jacket over a black crop top and a white skirt, with one arm raised. Neon red icons of a crown, a bow, and three diamonds are in the top right, and a star is on the left. The names of the women are printed in large white letters below them, with their surnames in italics.

TAYLOR *Cruz*

For 16 year-old Academy of Our Lady of Guam Junior Taylor Cruz, "One SKIP memory that stands out to me was the day of our last Christmas concert, when formations and choreography were changed at the last minute. This challenged me to adapt quickly and just trust myself. It pushed me intellectually to stay sharp and morally to stay composed and supportive of our senior group. In the end, I pulled through, and that moment reminded me how much SKIP is helping me grow, not only as a dancer but also as an individual person."

SARAI *Dela Cruz*

For 16 year-old Academy of Our Lady of Guam Sophomore Sarai Dela Cruz, "Throughout my time in SKIP, times of loss and uncertainty during competitions is when I feel the most love and comfort for each and every one of my peers. We lift each other up to create such a tight group where we support one another to elevate each others' spirits. We continue to set high standards for ourselves to grow and improve as a team."

KARYSE *Herrero*

For 16 year old Notre Dame High School Sophomore Karyse Herrero, "I was fortunate to be promoted as a senior. My faith in myself, the faith my family has in me, and my belief in my dance career has lifted me in so many ways, allowing me to thrive. This journey has not only helped me grow as a person, but it has also taught me to stay focused and on task, ensuring that my priorities remain clear. Faith has guided me to competitions, and while obstacles may arise, they never hold me back. I strive to push myself everyday, not only to be a great dancer, but also to be the greatest version of myself."

A decorative graphic in the bottom right corner consisting of several red arrows pointing to the right.

A full-page photograph of three dancers, Madison Lim, Aubrey Manibusan, and Vince Marasigan, posing in a red neon-themed background. Madison Lim is on the left, wearing a black leather jacket and shorts, smiling and looking back over her shoulder. Aubrey Manibusan is in the center, wearing a black crop top and pants, making a rock hand gesture. Vince Marasigan is on the right, wearing a white t-shirt and a dark jacket, leaning back with one hand on his head. The background is dark red with glowing neon musical notes, a large 'X' symbol, and flame-like shapes at the bottom.

MADISON

Lim

For 16 year-old John F. Kennedy Sophomore Madison Lim, "I believe SKIP has always been a place for me to elevate my heart, mind and body all at once. Given the opportunity to take classes from different people and experience the adrenaline on stage, turns training into a transformative space that urges me to express myself fully and take inspiration from the different aspects of dance. SKIP has allowed me to turn my passion into a lifestyle and eventually started to elevate who I was becoming as a dancer and a person, giving me the confidence followed by a whole new mindset."

AUBREY

Manibusan

For 16 year-old Academy of Our Lady of Guam Sophomore Aubrey Manibusan, "A SKIP memory that makes me feel elevated is during motivational times, especially during competition season, every dancer lifts another's spirit to encourage them to do better each day and each dance. SKIP truly embodies 'elevate' in the dancers and choreographers."

VINCE

Marasigan

For 16 year-old John F. Kennedy Sophomore Vince Marasigan, SKIP made 'elevate' a reality "When we first performed, "Wired" at The KAR competition in Vegas. Our SKIP family made sure to elevate every dancer's spirit, to believe in themselves and their abilities. Thanks to our SKIP family, we delivered a transcendent performance that left the audience in AWE and googling where exactly Guam is located."

LAUREN *Palacios*

For 15 year-old Southern High School Freshman Lauren Palacios, "SKIP has "elevated" my skills and confidence in performing in front of different audiences and giving them an exciting experience.

KARA *Quichocho*

For 15 year-old Guam High School Sophomore Kara Quichocho, "A memory that lifted me up was summer 2023 when I went to Prague, to compete in the Prague Dance Festival. Going to Prague really elevated my dance and performance skills. On top of that, I had an amazing time hanging out with everyone."

KYRA *Quichocho*

For 15 year-old Guam High School Sophomore Kyra Quichocho, the memory that made 'elevate' a reality for her was "When I went to Prague for comp it really helped me improve as a dancer." The Prague Dance Festival in 2023 brought together dancers from all over the world, competing in different genres of dance – this brought out the fierceness and the fire in our SKIP team, and helped all of us realize that if we work hard, and work together, we can achieve success.

NINA *Taitano*

For 18 year-old St. John's School Senior Nina Taitano, "Whether it be working with some of the best choreographers in the industry, meeting new people and dancers, or even traveling around the world, SKIP has truly opened doors for me, to make new connections and experience amazing opportunities. I now understand the hard work and dedication it requires to be a successful dancer, because of SKIP.

Being a part of the SKIP family has taught me important life skills, and given me precious memories that have shaped me to become the person I am today. Because of the beloved checkerboard floor, I have found the people who push me to be the best version of myself, for the love of dance, for each other, and most importantly for myself. I will forever be grateful to SKIP for 'elevating' my life in the way it has for the past 12 years."

SOPHIA *Unpingco*

For 17 year-old, Southern High School Senior Sophia Unpingco, "SKIP has always been a safe space for me — a place where I could truly be myself without fear of judgment. It gave me the freedom to express myself openly, to make mistakes, and to learn from them.

Being part of SKIP helped me build my confidence both on and off the stage. Through every practice and performance, I felt myself growing not just as a dancer, but as a person. It's a family that continually lifts you higher and reminds you that you are capable of more than you think."

Elevate: A Legacy of Passion, Perseverance, and Impact

FOR 40 YEARS, MR. AND MRS. KNAPP HAVE POURED THEIR HEARTS INTO NURTURING A LOVE FOR DANCE, FOSTERING A BELIEF IN DREAMS THAT KNOW NO BOUNDS. STARTING FROM THE SMALL, HUMBLE ISLAND OF GUAM, THEY DARED TO DREAM BIG. THEIR STUDENTS, UNDER THEIR DEDICATED GUIDANCE, HAVE GONE ON TO ACHIEVE REMARKABLE SUCCESS, FROM PERFORMING IN THE CORNERS OF STAGES TO STANDING FRONT AND CENTER WITH CHAMPIONSHIPS AND ACCOLADES.

BUT THEIR INFLUENCE DOESN'T STOP THERE. SOME OF THEIR DANCERS, INSPIRED BY THE KNAPPS' EXAMPLE, HAVE RETURNED TO THE DANCE STUDIO AS TEACHERS AND CHOREOGRAPHERS FOR "SKIP", THE VERY PLACE WHERE THEIR OWN JOURNEYS BEGAN. THROUGH THEIR LEADERSHIP AND ARTISTRY, THESE DANCERS HAVE HELPED ELEVATE "SKIP" TO INTERNATIONAL ACCLAIM, TRANSFORMING IT INTO A WORLD-RENOWNED INSTITUTION IN THE DANCE COMMUNITY.

THIS YEAR'S THEME, "ELEVATE," IS A TRIBUTE TO THE KNAPPS' RELENTLESS DEDICATION TO PUSHING BOUNDARIES. IT CELEBRATES HOW THEIR IMPACT HAS SOARED, NOT JUST FOR THEIR DANCERS, BUT FOR THE ENTIRE DANCE WORLD. THEIR VISION HAS CREATED A RIPPLE EFFECT, INSPIRING A NEW GENERATION OF DANCERS, TEACHERS, AND CHOREOGRAPHERS WHO CONTINUE TO REACH NEW HEIGHTS ON STAGES ACROSS THE GLOBE.

THANK YOU, MR. AND MRS. KNAPP, FOR MAKING "ALL THE WORLD A STAGE" FOR OUR CHILDREN. IT TRULY TAKES A VILLAGE TO RAISE A CHILD, AND THROUGH YOUR LOVE, WISDOM, AND UNWAVERING SUPPORT, YOU'VE CREATED A LEGACY THAT CONTINUES TO INSPIRE AND UPLIFT ALL OF US.
