# MESSAGE OF APPRECIATION

The foundation of SKIP was established by a group of kids and their dedicated parents in 1984. In those early years, we were fortunate to receive strong support from Governor Joseph F. Ada and Tony Lamorena. Their encouragement brought Guam into the spotlight in the dance world. The best way we can express our gratitude to Phil Flores for his ongoing generosity is through our commitment to excellence in all that we do.

From the bottom of our hearts, we express our deepest appreciation for the constant love, support, and faith you have shown our organization. SKIP Entertainment Company has been in Guam for more than 40 years, serving as more than just a performing group. It is a family, a creative home, and a space where passion, discipline, and culture come together. None of this is possible without you.

To our devoted parents, thank you for the countless hours you dedicate. You drive to rehearsals, wait patiently, help prepare costumes, support fundraising efforts, and encourage your children even on the most challenging days. Your commitment goes far beyond logistics. You are the foundation that allows our performers to grow with confidence, resilience, and pride.

To our island community, thank you for embracing SKIP with open arms. Your presence at our shows, your cheers, your messages of encouragement, and your support for local talent mean more than words can fully capture. You help create an environment where the arts thrive here on Guam and where our youth feel seen, valued, and inspired to keep reaching higher.

We are especially proud to represent Guam's vibrant spirit through music, dance, and performance. Every time our performers take the stage, they carry with them the love of their families and the strength of this community. Your support allows us to continue creating opportunities for growth, cultural expression, and meaningful connection.

As we reflect on every individual who has been part of the SKIP family, our hearts are full. We cherish each one of you. We look forward to many remarkable years ahead for our kids and future generations as they go beyond the stars. Thank you for celebrating with us. Cheers to the journey ahead.

As we move forward, please know that you are an essential part of every success, every milestone, and every dream we pursue. We are deeply grateful to walk this journey together with you beside us every step of the way.

Si Yu'os Ma'ase' for believing in our vision, for uplifting our performers, and for being part of the SKIP family.

# SENIORS

**SOFIA**  
*Blas*

**MALEYAH**  
*Crisostomo*

**BAILEY**  
*Cruz*

For 17-year-old Notre Dame High School Senior Sofia Blas, her teammates have been her greatest source of inspiration throughout her dance journey. They encourage her to step outside her comfort zone while supporting her every step of the way. With her friends by her side, she stays motivated to keep learning, growing, and becoming a stronger dancer—and she knows she wouldn't be where she is today without them.

For 16-year-old Guam High School Junior Maleyah Crisostomo, dance gives her a way to step outside her comfort zone and express herself when she feels overwhelmed. It helps her focus on the music instead of everything around her, allowing her to feel more free, calm, and relaxed while she moves.

For 16 year old Academy of Our Lady of Guam Junior Bailey Cruz, "My passion for dance began with my elementary school performances. I first enrolled in a dance class at SKiP at the age of 8, later stepped away, and returned at 12—when I was selected as a company dancer."

# TAYLOR

*Cruz*

For 17-year-old Academy of Our Lady of Guam Senior Taylor Cruz, "Beyond the Stars" represents striving for the goals she hopes to reach in every part of her life. As her 14-year journey with SKIP comes to a close, she carries with her the lessons dance has taught her about hard work, dedication, and believing that anything is possible. Dance has helped her grow not only as a performer, but also into a young woman ready to face life's challenges—an impact she knows she will carry with her forever.

# SARAI

*Dela Cruz*

For 17-year-old Academy of Our Lady of Guam junior Sarai Dela Cruz, her passion for dance began at a young age, when movement came naturally as a way to connect with music. Over time, that desire to move only grew stronger, making it easy for her to fall in love with dance as a form of self-expression. With the steady encouragement of her parents, she has continued to grow not only as a dancer but also as a person who learns to persevere and come back stronger.

# KARYSE

*Herrero*

For 17 year old Notre Dame High School Junior Karyse Herrero, "Before a big performance, I prepare mentally and physically by praying and listening to music. Prayer helps me calm my nerves, focus, and feel more confident by letting go of stress. Then I listen to music to get in the right mindset—either relaxing songs to stay calm or upbeat songs to boost my energy. Together, these help me feel prepared, focused, and ready to do my best."

The image features three dancers against a shimmering gold sequined background. On the left, a young woman with long blonde hair, wearing a black cut-out top and pants, strikes a pose with her hands behind her head. In the center, a young woman with long dark hair, wearing a black jacket over a white crop top and black pants, looks towards the camera. On the right, a young man with dark hair, wearing a black leather jacket over a white shirt and tie, strikes a pose with his hands raised and wearing black fingerless gloves.

# MADISON

*Lim*

For 17-year-old Okkodo High School junior Madison Lim, "Beyond the Stars" represents a future guided by movement, passion, and personal growth. She hopes to keep challenging herself in school, dance, creativity, and helping others, while continuing to express herself through art. Madison dreams of one day opening her own dance studio—or simply teaching others who share the same eagerness to learn—while maintaining balance for both her body and mind as she continues to grow.

# AUBREY

*Manibusan*

For 17 year old Academy of Our Lady of Guam Junior Aubrey Manibusan, "A pivotal moment for me that changed my perspective on dance is right before the trip to Canada. I felt very disconnected to the SKIP family and dance overall. But right before the trip, someone had a heart-to-heart with me that fundamentally changed my mentality and attitude to dance and the SKIP company."

# VINCE

*Marasigan*

For 17 year old John F. Kennedy High School Junior Vince Marasigan, "Out of all the routines I have performed with SKIP Company, Jennie's routine stands out the most. I love K-pop! The choreography is full of energy, confidence, and intensity. The sharp movements and strong stage presence make you want to go full out every time. Performing routines like this reminds me why I love dance."

# LAUREN

*Palacios*

For 16 year old Southern High School Sophomore Lauren Palacios, "One of the biggest challenges in my dance journey has been balancing the physical and mental demands.

There were times I felt exhausted or discouraged, especially when progress felt slow. I've also had to learn to stop comparing myself to others and focus on my own growth. These challenges have helped me become more resilient and confident as a dancer."

# KARA

*Quichocho*

For 16 year old Guam High School Junior Kara Quichocho, "Going on skip trips shape who I am as a dancer. Getting to see different studios perform helped me see that there's more to dance. Going to Prague showed me there other people passionate about dance just like me."

# KYRA

*Quichocho*

For 16 year old Guam High School Junior Kyra Quichocho, "Dancing has allowed me to go places, experience things and meet people. Without SKIP, I may not have ever gotten to go to these places or have these experiences."

# LAUREN

*Stettenbenz*

For 15-year-old Notre Dame High School Sophomore Lauren Stettenbenz, building a personal connection with the music she dances to helps her express emotions she can't always put into words. Working with guest choreographer Jojo Diggs reminded her that there is beauty in the vulnerability dance allows, giving her the freedom to step into a persona that reflects how she wants to perform. For Lauren, dance is more than movement—it's a way to express feelings she might otherwise be too shy to share.

## SKIP HISTORY

The SKIP Entertainment Company (SKIP) stands as a remarkable success story in Guam. Established in 1982 as a project of Children's Productions, Incorporated, originally known as the Sunshine Kids in Production, SKIP evolved from staging children's musicals to focusing on dance, creating opportunities for thousands of Guam's youth. Instructors and choreographers from Los Angeles and New York City frequently travel to Guam to offer world-class training, and we extend our heartfelt gratitude to all who have contributed to this mission.

The journey of SKIP has always transcended dance, fostering a constructive outlet for participation and enjoyment. It has grown into a nurturing environment that promotes values such as respect, commitment, teamwork, mutual support, self-confidence, and effective time management. Additionally, it offers young minds the chance to broaden their perspectives and embrace diverse cultures through travel. Since beginning their tours in 1985, SKIP Dancers have participated in competitions and performances across the U.S. Mainland, Canada, Europe, and Australia every year. In 1991, they gained international recognition by performing on International Star Search, which aired in over 63 countries, and they were selected to appear again on Ed McMahon's Star Search later that year. That same year, SKIP dancers graced the cover of the national dance publication PERFORMER'S EDGE. Between 1991 and 2025, SKIP garnered numerous National and International Dance Championships, highlighted by winning the International Choreographic Leo's Gold Award at the Jazz Dance World Congress at the Kennedy Center. Most recently, they claimed the coveted Victory Cup two times at the Revolution National Championships, achieved the highest performance score at the Showstopper National finals and won the Dance World Cup in Canada.

We take great pride in the accomplishments of all those associated with the SKIP Touring Company. Notably, our members have an impressive 95% college graduation rate. Today, SKIP alumni thrive in various fields, including education, healthcare, law, business, accounting, and counseling.
