Message

Once again the time has come to celebrate DANCE and the DEDICATION of some of Guam's most amazing kids! This concert is a celebration of many, many years of blood, sweat, tears, laughter, love and pride. This is a very special concert as it is about the JOURNEY. It is not about where you are going, it is about how you get there. Without the journey, there is no destination.

Every spring concert is a celebration of the accomplishments of the dancers who have worked so hard to stage this performance this weekend. We continue to hope that each year the concerts get better and better. Although SKIP is a "dance" organization, the primary purpose is to prepare our kids for a successful future in whatever they choose to do.

In addition to the dancers, this concert has been made possible by a group who stands behind SKIP every step of the way. A very special thank you to those who have contributed to keeping the SKIP Entertainment Company excelling this year. You are all the best! In addition THANK YOU to all the parents who continue to drive their kids to classes and support in many other ways. We are so appreciative for the support from Phil Flores and Bank Pacific. And certainly last but not least – the choreographers and instructors who traveled to Guam this year to teach the SKIP dancers: Alexei Geronimo, Andre Fuentes, Cameron Lee, WilldaBeast, Janelle Ginestra and Brian Esperon. Thank you to Esther and Lee and the booklet committee – you have created this beautiful booklet of memories.

We will continue to make memories as the group will be competing at the European Grand Prix in Barcelona this summer. They will do their best to continually represent Guam in the best possible way.

Thank you for being a part of the 2015 SKIP Entertainment Company Concert.

Thanks so much for sharing our journey.

HISTORY

The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! SKIP originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers looks like the Who's Who of Dance!

The SKIP Dancers began touring in 1985 when the first group toured the U.S. Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. From 1991 through 2010, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Weisbaden, Germany. International recognition was brought back to Guam once again when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002, the Canadian National Finals in 2000 and 2004, and the Czech Republic Dance Festival in 2007.

SKIP has been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

During the past several years, SKIP has won top awards in four countries including the US, Canada, Australia and Italy. Honors include winning the 2012 Grand Prix Championship in Cecena, Italy. Competing with groups representing 20 countries and SKIP was the panel of judges and audience favorites. In addition, SKIP dancers also known as "EMPIRE - THE CREW" were selected to compete in Sydney Australia and were requested by the World of Dance Organization to showcase at the Honolulu finals. SKIP was also selected to audition for America's Best Dance Crew. The group along with Lil Bigz from LA, made it through to the final selection. The group has become well known on youtube and again representing Guam. In addition, in July 2012, SKIP won one of the biggest awards in North America, the Dance World Cup in Montreal, followed by winning the SHOWBIZ National Dance Championship in Daytona Beach in 2013. The SKIP dancers invited Trinity Inay from Seattle (Abby's Ultimate Dance Competition), Alysha Percy (XFactor Australia) and Coby Njoroge (Shake Rattle and Roll - Melbourne) to make up the crew to compete and win the SILVER medal at the World Battle Ground Championships in Sydney in December 2013. Last summer SKIP represented Guam at one of the most difficult and prestigious competition showcases in the world - the PULSE Showcase in Las Vegas. The judges included Brian Friedman and Chris Judd. SKIP won one of the top awards and were invited back as a guest to showcase this year. However, the group will be departing in June to Barcelona where they hope to make it a 4 peat (Champions 2004, 2008, 2012) in winning the European Grand Prix.

It has taught her how to be a team player, and appreciate the talents of others as well as her own. Hip hop has always come natural to her; however, contemporary dance allows her to channel different emotions and tell a story throughout.

"This person is best at commitment. She has shown dedication even if no one has the spirit she will definitely pick them up." – Renee

"I enjoy Cami's ambitious and optimistic attitude." – Aaron

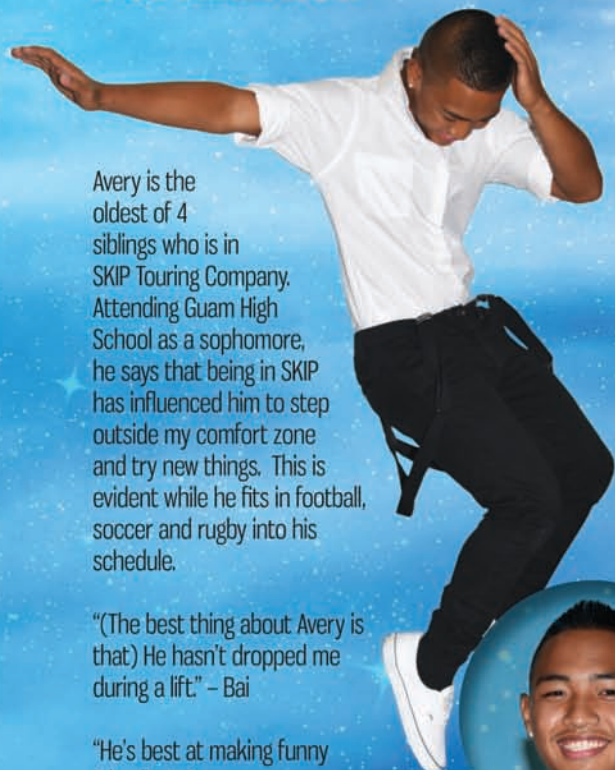

Avery "Cinnabonavery" Fernandez

Avery is the oldest of 4 siblings who is in SKIP Touring Company. Attending Guam High School as a sophomore, he says that being in SKIP has influenced him to step outside my comfort zone and try new things. This is evident while he fits in football, soccer and rugby into his schedule.

"He's best at making funny jokes." - Asia

Lauryn Fernandez

Lauryn is an 8th grader at Andersen Middle School and has danced with SKIP for 11 years. Being in SKIP has helped her become less shy and take on leadership roles in school. "She is best at reading a book in a day... making people laugh." - Rio

"She makes people laugh in the studio... and helps others with dances." - Jazz

"She kills it on stage... and is best at eating hot Cheetos." - Caite

Caitlin "Caite" Paulino

Caite is a graduating senior from Notre Dame High School. She's danced with SKIP for 13 years. SKIP has taught her to be more responsible, more open and consider everyone as family. She loves all types of dance, not just one; it helps her to learn more about each type. Her best memories with SKIP include having fun at practice, shows, and spending time with the Seniors out of SKIP.

"She is best at being a leader." - Lauryn

"Caite makes sure everyone knows what they're doing during the dance... checking to see if everyone is okay. She's always willing to help me out when I need it." - Jazz

Auriene "Auri" Perez

Auri is a junior at John F. Kennedy High School. Her experience in SKIP has made her approach school and other social settings in a positive way. (She is not as shy as she once was.) SKIP has opened her up to many opportunities like traveling around the world and meeting new people. Her favorite style of dance is hip hop because the moves are so energetic and "full out" and the music is upbeat.

"My favorite thing about Auri is her humbleness and consistency in working." – Leo

"My favorite thing about her is her ability to dance so intricate and clean." – Kass

Outside of dancing, Kass enjoys sleeping, "I love sleep, sleep loves me."

"She is an amazing friend... and is best at doing burpees." – Auri

"Kass is best at making me laugh so hard." – Cami

Thank you...

There are a select few who have truly made SKIP the organization that it is today. Most times, parents and kids are in for awhile and then, as soon as their son/daughter graduates from high school, they move on.

However, Marcelo, Esther, Michelle and Brian have continuously been a huge part of SKIP five years past Brian graduating from high school. Both Michelle and Brian danced with SKIP through their high school years. Michelle managed the office for many years before moving off island to pursue her dream. Brian graduated from Loyola Marymount last year and has continuously come back to teach and choreograph for SKIP for the past five years. This is not the first concert he has directed for SKIP.

Ok, enough about these wonderful and talented kids...they have some of the best parents on earth. Marcelo and Esther have been such role models to all of the families throughout the years, very supportive in every way. In addition to being a superstar parent, Esther has photographed, created the booklets and flyers for SKIP for many, many years. As mentioned, most parents "retire" from SKIP when their kids graduate from high school, however, Esther has continued. As sad as it is for us, we know Esther would like to pursue some of her other interests and pass the torch down to the next generation of supportive parents.

Esther and Marcelo, we cannot thank you enough for all the contributions you have made to SKIP. We will always miss you, but know you are not far away and wouldn't be surprised to see you again on one of these crazy tours.

We love you from the bottom of our hearts!

MR. & MRS. KNAPP

For over 30 years you have taken our children under your wings and lead them on a **journey** through life. You have selflessly fostered and nurtured many of our children, from as young as two years old up through young adulthood. You have always been mindful of the needs of your **SKIP** FAMILY even while overcoming the most difficult obstacles in your personal lives. And, with many demands on you, you still manage to give freely of your time to make **SKIP** successful. Your passion, care and commitment to **SKIP** are the very reasons our children strive to succeed and excel, not only as dancers but also as members of our community, every time they dance.

You have instilled in every dancer that has come through the studio doors the basics needed to succeed in both dance and life. You are able to do what our children's school teachers and sometimes parents cannot, which is to get our children to reach for their goals, act with conviction and determination, to have self-confidence and to be positive in whatever **journey** their lives take them. Because of everything you do, regardless of geography or the miles that separate us, our children have the courage to continue the **journey**, whether it is to chase dreams, graduate from college, become successful dancers, choreographers, lawyers, business people, nurses, physical therapists, teachers, etc..

Our **journey** together is not over yet!!

We love you, we love you, WE LOVE YOU!!
