Everything and nothing has changed over the past 30 something years of the SKIP Entertainment Company. When we say everything has changed – think of a time (kids have to use their wild imaginations for this) when there were no personal computers, no ipads, no iphones, no internet and heaven forbid – there was no YOUTUBE. It was just us on this small island out in the middle of the ocean trying to be a part of the world of dance. We knew the only way the dancers would get any kind of perspective as to what the dance world was like – was to take them across the ocean almost as far away as possible to Myrtle Beach South Carolina to the most difficult National Dance Finals. We had no idea what we were up against. We mostly won honorable mention awards – but our eyes were wide open with excitement and the knowledge of what we had to do to become one of the best dance studios in the nation. The first being to bring in the best training in the world, as SKIP welcomed Ray Leeper, Tina D'Amato, Al B, Tabitha and Napoleon, Dee Caspary, Glenn Packard, Andre Fuentes, Tony Czar, Tucker Barkley, Will da Beast, Anisha Gibbs, Melvin Timtim to name a few. They were and still are some of the best in the world. We also had to work twice as hard, as we didn't have all the regional comps to attend to help make us better at competitions.

When we say nothing has changed – the focus and goals have never changed since the inception. The goal of the SKIP Entertainment Dance Company is to provide a positive influence on the youth of Guam. Through dance, students have an opportunity to develop life-long values including commitment, self-discipline, timeliness, meeting deadlines, taking on challenges, living a healthy life-style, working towards individual potential, teamwork building and enjoying life. However, most important is the development of a deep sense of self esteem so that participants can have the courage to **"reach for the stars"**, whether it be in dance, sports, academics or in the corporate board room. In addition, we have been so fortunate that dancers who have graduated from college continue to come back to give back. Following this tradition for the past three years Brian Esperon has come back to choreograph and direct the concerts. We also had a pleasant surprise when Dominic Cadiz was also able to come back to co-direct this concert. We are so proud of the parents, choreographers and dancers who continue to make Guam proud in the world of dance!

Gabby Cruz is a student at the University of Guam. She has danced with SKIP for 13 years and has had the opportunity to travel and compete with the SKIP Touring Company. She has been managing the SKIP office for the past two years. She is a joy to have and is great with the kids, ensuring their safety and keeping the communication lines open between the parents and instructors.

The **S.K.I.P.** *History*

The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! SKIP originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers looks like the Who's Who of Dance!

The SKIP Dancers began touring in 1985 when the first group toured the U.S. Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. From 1991 through 2010, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Wiesbaden, Germany. International recognition was brought back to Guam once again when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002, the Canadian National Finals in 2000 and 2004, and the Czech Republic Dance Festival in 2007.

SKIP has been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

During the past several years, SKIP has won top awards one in five countries including the US, Canada, Australia, Czech Republic and Italy. The numerous honors include winning the 2012 Grand Prix Championship in Cesena, Italy. Competing with groups representing 20 countries – SKIP was the panel of judges and audience favorites. In addition SKIP dancers also known as EMPIRE, THE CREW were selected to compete in Sydney Australia and were requested by the World of Dance Organization to showcase at the Honolulu finals. SKIP was also selected to audition for America's Best Dance Crew and made it through to the final selection. The group has become well known on YOUTUBE – again representing Guam. In addition, in July 2012, SKIP won one of the biggest awards in North America, the Dance World Cup in Montreal followed by winning the SHOWBIZ National Dance Championship in Daytona Beach in 2013. In 2014, SKIP represented Guam at one of the most difficult and prestigious competition showcases in the world – the PULSE Showcase in Las Vegas. The judges included Brian Friedman and Chris Judd. SKIP won one of the top awards and was invited back as a guest to showcase. This past year, the group once again won the championship at the European Grand Prix in Barcelona Spain and performed at the prestigious HEAVEN beach club in Marbella Spain. In October 2015, they returned to Australia and won the Young Guns Division Championship at the Battleground Hip Hop Competition in Brisbane.

SKIP will be returning to North America for the Showbiz National Championships in Daytona Florida and the Dance World Cup in Montreal.

SENIOR SKIP

Aaron Saymo Arizala

Aaron is 17 and is one of our graduating seniors. With 12 years in SKIP, he's learned to manage time dancing and school every week earning him the honor as Salutatorian of his class at Father Duenas Memorial School.

As he reflects on his legacy in SKIP, "... I would want my legacy not to reflect myself but to reflect my group—as the group that overcame everyone's expectations, that rose up to the challenge, and that would inspire anyone because if we could do it, so can they."

LOL Moments: When Regine miscounts our workouts.

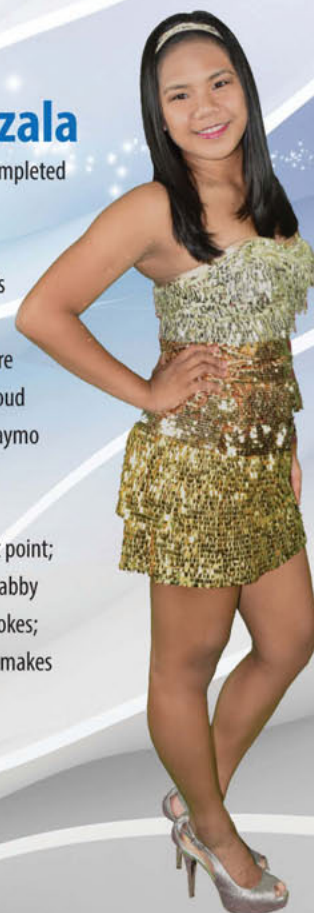

"The highlight of my journey here at SKIP has been growing up with a group of strangers who have become my friends and the most dedicated dancers. Each new addition brought something unique to the studio that enhanced my learning experience."

Asia Star Saymo Arizala

Asia Star is 14 and just completed her first year at Academy of Our Lady of Guam. Dancing for 12 years, she's learned how to manage her time and become more outgoing. She is most proud and appreciative of the Saymo Family Legacy at SKIP.

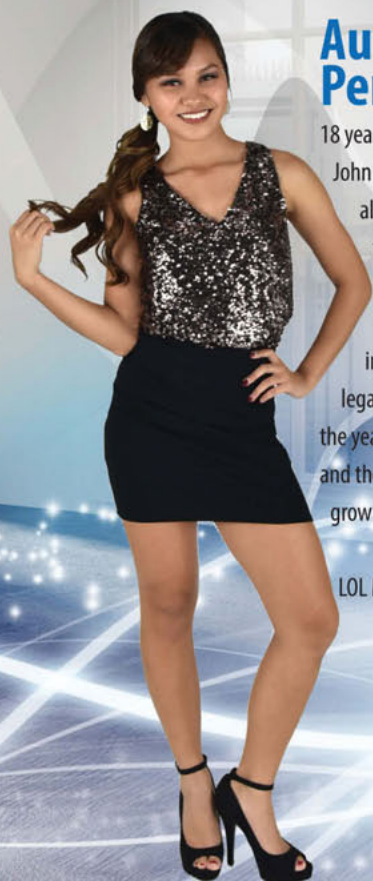

LOL Moments: Cami's left point; Ronnie's bright clothes; Gabby dancing K-Pop; Lauryn's jokes; Mother Bailey; when Leo makes holes in the floor.

Auriene "Auri" Perez

18 year old Auri is a graduating senior from John F. Kennedy High School. Dancing alongside a variety of individuals for the last 15 years has taught her how important it is to work together as a team, as a family, and as an individual. She feels that the SKIP legacy is the SKIP Family. Throughout the years, SKIP's members grow in numbers and the bond between dancers and families grow too!

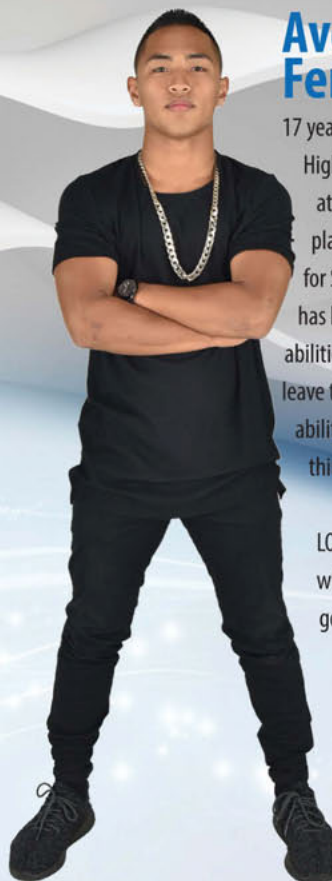

LOL Moments: Everything Leo!

Avery Saymo Fernandez

17 year old Avery is a junior at Guam High School. He is a star football athlete for his school. Also likes to play rugby and has been dancing for SKIP since he was 5. Dancing has helped him in his athletic abilities. The legacy he feels he would leave to future SKIP dancers is the ability to be versatile in all physical things you do.

LOL Moments: Not remembering which practice he's supposed to go to—football or dance.

Bailey "Bai" Concepcion

This is Bai's Freshman year at St. John's School. She's been with SKIP for 12 year and has learned the significance of teamwork and being committed to her responsibilities and studies. The SKIP legacy she would like to leave is the value of commitment, dedication and hard work required to be a SKIP dancer.

LOL Moments: embarrassing moments with others... even the corniest jokes.

Camarin "Cami" Egurrola

Cami is a graduating senior from Academy of Our Lady of Guam. Dancing for 14 out of the 16 years of her life, SKIP has taught her to develop leadership skills. Most people think the legacy she would like to leave with SKIP is #30second-squad, but more importantly, she would like to leave a legacy that shows the group's genuine love for each other. Cami thinks that it's so rare to find a bond that goes beyond the dance floor, and she would like to see the future generation experience that same type of love for their team.

LOL Moments: Teaching the Senior girls an entire K-Pop medley and them remembering it 2 months later; Leo's feet; Becky!; meep Imani moop; Asia in heels; Lauryn not listening to Asia; actually seeing Avery in the studio.

"Hands down, the highlight of my SKIP journey was this team. At first I was afraid we wouldn't bond, let alone dance well together, but they continue to exceed all my expectations. As a dancer, I am confident in our hard work, commitment, and teamwork. As a leader/teacher, I am grateful for their continuous respect and support. Lastly, as my family, they have shown me the true meaning of friendship and love. I have them to thank for that,

Gabriela "Gabby" Sablan

Gabby is a 15 year old Freshman at Notre Dame High School. After 8 years with SKIP, she has learned new styles of dances and has enjoyed being able to share it with others. Teamwork is the legacy she hopes to leave for future SKIP dancers. This year's team shares a great bond that she hopes will continue.

LOL Moments: When Auri says she's coming to practice early; When Lauryn thinks she's funny.

Imani Bamba

Imani is a graduating senior of the Academy Lady of Guam. Dancing with the company has taught her to step outside of her comfort zone and to be better not only for herself, but the group that she is a part of. She believes that all of the graduating seniors will leave a legacy of building relationships. "This group is social and genuinely caring, and I believe that helped all dancers to step up."

LOL Moments: Everything at SKIP makes me laugh. It could be the conversations we have, the toxic foot odor, when Evan tries not to smile in a dance, when Leo gets pants-ed... the list goes on forever.

Her highlight in SKIP... "I honestly just love spending time with everyone. We're all so close and that makes a huge impact on our experiences at the studio. I'm sure that dancing as a team wouldn't be as great as it is if we didn't love each other — and we do love each other therefore we are great!"

Kersha "Kersh" Taitano

Kersh is a graduating senior from Harvest Christian Academy. As a second generation SKIP dancer, something that she feels has truly been passed down and remains the same throughout the history is the relationship and family bond of the SKIP kids.

LOL Moments: going over past SKIP memories and stories ... and watching old videos!

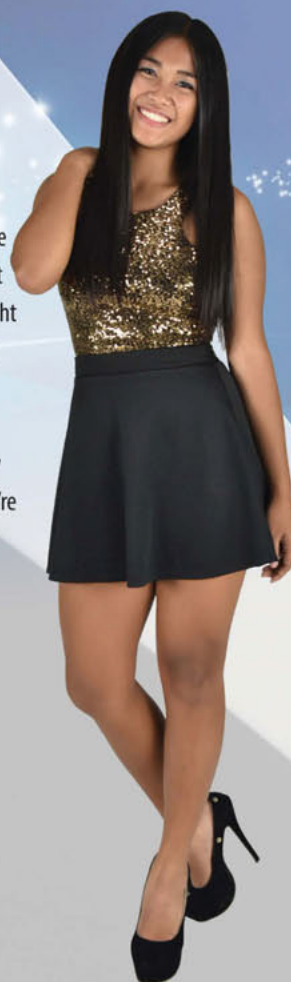

Highlight of SKIP: "From my 4th grade year to 8th grade year, the group I danced with in SKIP were the underdogs. This time period was the highlight of my SKIP career because it was through this time we are able to bond and find ourselves and styles."

Lauryn Saymo Fernandez

Lauryn is 15 years old and goes to Guam High School. Dancing since she was 3, she says that SKIP has brought her out of her comfort zone and taught her to be a leader. She is grateful for her mom's (Fran Saymo) legacy.

LOL Moments: When Aaron perfectly lip syncs a Nicki Minaj song while we're doing butt workouts.

Leo DeAsis

Leo is finishing his Junior year at Father Dueñas Memorial School and has been dancing with SKIP for 5 years. On top of becoming a more social person, the SKIP legacy that Leo most appreciates is not just learning to dance, but learning many life lessons along the way.

LOL Moments: Gabby Sablan's facial expressions when laughing.

Veronica "Ronnie" Calvo

Ronnie will be leaving Bishop Baumgartner Catholic School this year and has been dancing for 9 years. SKIP has taught her commitment and the value of friendships. The legacy from SKIP she's taken to heart is "things aren't just given to you, if you want something you have to work for it."

LOL Moments: You guys (i.e. Senior Company Dancers) and Leo's feet.

Mr. & Mrs. Knapp, THANK YOU!!

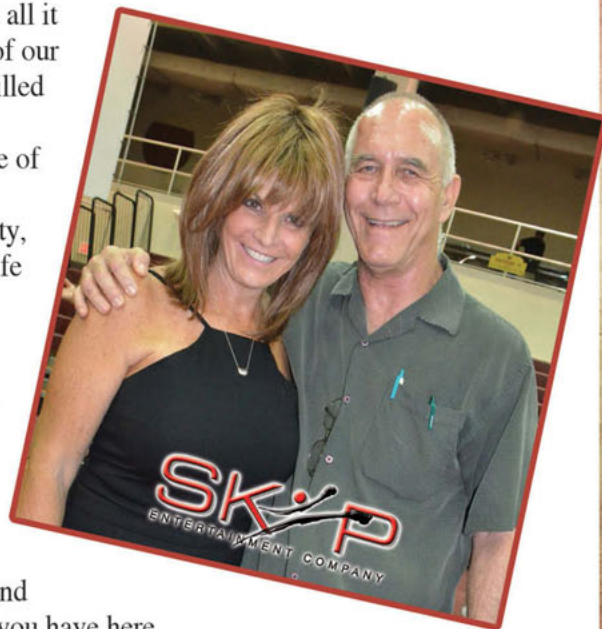

“Legacy” is defined as something handed down from one generation to the next. This booklet only gives us a snapshot of that “something” Teri and Lee Knapp have passed on over the last three decades to hundreds of children.

THE “SKIP” LEGACY began with their vision to bring the dance world and all it has to offer to the children of Guam. Their vision included opening the eyes of our local children to life beyond the shores of our beautiful island and to a world filled with dance competitions, life lessons, new experiences and adventures.

Thirty plus years later and THE LEGACY continues to thrive under the guise of Teri and Lee and present and former SKIP dancers. For the past three decades Teri and Lee have and continue to instill the importance of perseverance, loyalty, commitment and compassion in all SKIP dancers with regard to dancing and life in general.

What we may not all know is that Teri handpicks choreographers and dance teachers who understand THE SKIP LEGACY and who can pass on that “something” which includes the importance of those characteristics necessary for our children to succeed in life regardless of the profession they chose as adults. Teri is careful to choose dance teachers and choreographers who are in tune with that “something” they have managed to pass on through the last three decades.

THE LEGACY will not be what it has become without Teri and Lee’s belief and their love of our children. You both should be so proud as to THE LEGACY you have here in Guam and throughout the world because the children and parents are proud of THE LEGACY you started and which continues to thrive today!!!
