MESSAGE

Everything and nothing has changed over the past 30 something years of the SKIP Entertainment Company. When we say everything has changed – think of a time (kids have to use their wild imaginations for this) when there were no personal computers, no iPads, no iPhones, no internet and heaven forbid – there was no Youtube, Facebook, Instagram or Snapchat. It was just us on this small little island out in the middle of the ocean trying to be a part of the big world of dance. We knew the only way the dancers would get any kind of perspective as to what the dance world was like – was to take them across the ocean almost as far away as possible to Myrtle Beach South Carolina to the most difficult National Dance Finals. Imagine driving in new cities with no GPS as we actually had to use paper maps. Or think of trying to round up a group of 50 in a mall with no cell phones! We had no idea what we were up against in the world of dance. That first year, we mostly won honorable mention awards – but our eyes were wide open with excitement and the knowledge of what we had to do to become one of the best dance studios in the nation. The first being to bring in the best training in the world as SKIP welcomed Ray Leeper, Tina D'Amato, Al B, Tabitha and Napoleon, Dec Caspary, Glenn Packard, Andre Fuentes (RIP), Tony Czar, Tucker Barkley, Will da Beast, Anisha Gibbs, Melvin Timtim, to name a few. They were and still are some of the best in the world. We also had to work twice as hard as we didn't have all the regional comps to attend to help make us better at competitions. Our biggest change this year was to add a second state of the art studio and a ballet program and to welcome former SKIP Dancer, Francesca Ambrose as Co-Director.

When we say nothing has changed – the focus and goals have never changed since the inception and we still rehearse at our original studio, the Casa de Flores Building, through the generosity of Phil Flores. The goal of the SKIP Entertainment Dance Company is to provide a positive influence on the youth of Guam. Through dance, students have an opportunity to develop life-long values including commitment, self-discipline, timeliness, meeting deadlines, taking on challenges, living a healthy life-style, working towards individual potential, teamwork building and enjoying life. However, most important is the development of a deep sense of self esteem so that participants can have the courage to "DARE TO DREAM," whether it be in dance, sports, academics or in the corporate board room. The SKIP Company dancers have a 90% College Graduation Rate. In addition, we have been so fortunate that dancers who have graduated from college continue to come back to give back. Following this tradition for the past four years, Brian Esperon has come back to choreograph and direct the concerts. We have the deepest gratitude for those who were brave enough back in 1982 to audition and become the beginning of a Guam legacy. We now welcome your kids. It is so rewarding to know that those who were a part of SKIP found it so valuable that they have continued the journey with their kids now a part of SKIP. We are so proud of the parents, choreographers and dancers who continue to make Guam proud in the world of dance!

SKIP HISTORY

The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! SKIP originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers who have come to Guam to choreograph for the SKIP Entertainment Company are the Who's Who of Dance including Ray Leeper, Tina D'Amato, Tabitha & Napoleon Dumo, Dee Caspary, Tony Czar, Tucker Barkley, Andre Fuentes (RIP), Ambrose Respicio, and many more.

The SKIP Dancers began touring in 1985 when the first group toured the U.S. Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. From 1991 through 2010, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Weisbaden, Germany. International recognition was brought back to Guam once again when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002, the Canadian National Finals in 2000, 2004, 2008, 2012 and 2016 and the Czech Republic Dance Festival in 2007. In 2014, SKIP represented Guam at one of the most difficult and prestigious competition showcases in the world – the

PULSE Showcase in Las Vegas. The judges included Brian Friedman and Chris Judd. SKIP won one of the top awards and was invited back as a guest to showcase. In 2014, the group once again won the championship at the European Grand Prix in Barcelona Spain and performed at the prestigious HEAVEN beach club in Marbella Spain.

During the past several years, SKIP has continued to win top awards in five countries including the US, Canada, Australia, Czech Republic and Italy. SKIP was also selected to audition for America's Best Dance Crew and made it through to the final selection. For the past several years, SKIP dancers have teamed up with dancers from the US and Australia as a part of EMPIRE, THE CREW to win the Championships at the Battlegrounds Hip Hop Competitions in Australia.

The group has become well known on youtube – again representing Guam. During this past year – the choreography of Brian Esperon along with the SKIP Dancers has been recognized by DanceOn Network numerous times throughout this year as one of the top 5 choreographers (worldwide) of the week. This is a huge honor for our island – to be recognized as one of the best in the world.

SKIP has also been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

In 2016, SKIP returned to North America for the Showbiz National Championships in Daytona Florida and the Dance World Cup in Montreal. They won the top awards at each of the world finals. This year SKIP will be returning to the US Championships in Las Vegas and Palm Springs.

In October, 2016 SKIP added a second state of the art studio beginning a new chapter of training for the students on Guam including the new ballet program under the direction of Co-Director Francesca Ambrose. The future continues to be bright for Guam's up and coming dancers.

To touch, move & inspire,
that's Dance...

Dare to Dream...

that dancers from a little island in the middle of the Pacific Ocean would travel the world and share their talent and passion for dance! DARE TO DREAM that dancers from a little island in the middle of the Pacific Ocean will become professional dancers or choreographers! DARE TO DREAM that dancers from a little island in the middle of the Pacific Ocean would be noticed on the internet by mega superstars for their love of dance and showmanship!

We DARE TO DREAM these things because of your big hearts. We are able to do more than DARE TO DREAM about these wonderful experiences because of your big hearts. We are and have been able to live out these dreams because of your big hearts but most especially because of your love for our little island in the middle of the Pacific Ocean and its talented children.

These are the things you have made possible for hundreds of dancers over the past 33 years who may never have done so if it were not for your big hearts and ability to inspire us to DARE TO DREAM and make those DREAMS a reality. For all the DREAMS you have made reality, we want to thank you both from the bottom of our hearts. We look forward to many more years of dreaming with you!
