The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! SKIP originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers looks like the Who's Who of Dance!

The SKIP Dancers began touring in 1985 when the first group toured the U.S. Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. From 1991 through 2013, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Weisbaden, Germany. International recognition was brought back to Guam once again when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002, the Canadian National Finals in 2000 and 2004, and the Czech Republic Dance Festival in 2007.

SKIP has been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

During the past three years, SKIP has received numerous honors including winning the 2011 Grand Prix Championship in Cesena, Italy. Competing with groups representing 20 countries – SKIP was the panel of judges and audience favorites. In addition SKIP dancers also known as EMPIRE, THE CREW were selected to compete in Sydney Australia and were requested by the World of Dance Organization to showcase at the Honolulu finals. SKIP was also selected to audition for America's Best Dance Crew. The group along with Lil Bigz from LA, made it through to the final selection. The group has become well known on youtube – again representing Guam. In addition, in July 2012, SKIP won one of the biggest awards in North America, the Dance World Cup in Montreal followed by winning the SHOWBIZ National Dance Championship in Daytona Beach last summer. The SKIP dancers invited Trinity Inay from Seattle (Abby's Ultimate Dance Competition), Alysha Percy (XFactor Australia) and Coby Njoroge (Shake Rattle and Roll – Melbourne) to make up the crew to compete and win the SILVER medal at the World Battle Ground Championships in Sydney this past December.

Deena Aguon

Deena Aguon a.k.a. "Auntie Dee" is the person behind the scenes. You may see her at the office, out at the Skip shows, or out shopping for supplies. This busy lady organizes Concerts, Competitions, and manages the Studio. She has met so many talented kids and is truly amazed! She loves the kids like they were her own and is very blessed to have them in her life. This New Year's baby and former Skip dancer has been working with the company for a year now. She first joined Skip in 1997, made the Touring Company in 2000, and competed for 3 years. After taking a break from the company, Deena focused on school and graduated from the Guam Community College in 2010 where she received her Associates Degree in Liberal Arts. Deena is glad to be back at the studio, although in a different role, and excited to work with the future generations of SKIP. She ultimately hopes that SKIP will be here for another 30 years!

THANK YOU - Teri & Lee Knapp

2014 marks 30 years of SKIP!

The SKIP doors have swung open for 30 years. For some, dance was a past time, a hobby, an extra curricular activity. For others, a passion that needed to be nurtured.

SKIP has not only taught dance! It has allowed dancers to...

Dream

And to dream big

Learn

And learn all they can

Laugh

And share their laughter

Set Goals

And reward themselves as they move forward

Be Determined

And find they will succeed

Believe in Themselves

And find self confidence

Be Positive

And find life will get easier.

This is so evident by the high success rate and ethics instilled in the dancers who have walked through the SKIP door.

Si Yu'os Ma'ase

Your SKIP family

Thank you Phil Flores
