Relationship of Activities to the Purposes of Exempt Purposes

Overall, all income is contributed to the goal of Children's Productions & SKIP in order to provide training not only in dance but also training in actively taking part in community service and the promotion of Guam, along with the sharing of Guam Culture & Hospitality with visiting dignitaries and with Guam's Sons & Daughters who have moved to Hawaii and the Mainland. Further goals attained are the development of the trainees Self Development, Self Discipline, Physical Fitness Development & Self Confidence, thereby developing individuals who will hopefully assist in developing & creating a drug free society. SKIP provides training allowing for SKIP members to receive dance scholarships to various universities thereby assisting these individuals in their endeavor to obtain their college degrees. Further major goals were attained by being selected to perform on prime time International Star Search 91 & Star Search 93 plus SKIP was selected to perform at the Kennedy Center in Washington D.C. and won the 1996 Jazz Dance World Choreographic competition. SKIP was selected to represent Guam and the United States of America at the Jazz Dance World Congress in Germany, to be held the summer of 1997. In addition, former SKIP member Michael Lomeka, after having graduated from the Juilliard School of Dance was selected to tour with Mikhail Baryshnikov. In March of 2001, Children's Productions, Inc/SKIP sponsored Mikhail Baryshnikov and the White Oak Dance Project on Guam including locally trained former SKIP member and dancer, Michael Lomeka. Additional accomplishments in 2001 included the SKIP Junior Touring Performance Group being awarded the Showstopper National Junior Dance Television Championship, which was viewed throughout the US Mainland and on Guam. Prior to departing for the 2002 summer tour to Cesena Italy to participate in the "International Grand Prix Festival", the SKIP performers were honored with the recognition of "Young Ambassadors" by the Governor of Guam. Working hard to fulfill the honor of such recognition and proudly represent Guam, SKIP members danced their hearts out at the International Grand Prix Festival. Their hard work and long hours of practice and training paid off as they received the highest honor of winning the "Overall Dance Championship". In 2003, Tony Francisco was selected to tour with Britney Spears. In 2004, SKIP won the Canadian Dance Overall Championship in Niagra Falls, Canada. In 2005, SKIP dancers were Featured Performers in the Philippines, Club TV on ABC-5 Television. In 2006, SKIP Dancers were selected by Dance Spirit Magazine as one of the top 50 GROUPS ON THE MOVE for the entire United States. In 2007, SKIP Dancers were the Winners of the Overall Dance Championship at the International Grand Prix Festival in Prague. In 2008, SKIP Dancers were the Winners of the Overall Dance Championship at the Canadian ShowTime

National Finals – Senior & Junior Division. In 2009, SKIP Dancers were the Winners of the Overall Dance Championship at Showbiz National Dance Finals in Dallas. In 2010, SKIP Dancers were selected to perform in Precious Land, Tokyo Japan. In 2011, SKIP Dancers were the Winners of the Overall Dance Championship at the International Grand Prix Festival in Cesena, Italy. In 2012, SKIP Dancers were the Winners of the Overall Dance Championship at the Canadian ShowTime National Finals and Dance World Cup. Also, in 2012 select SKIP Dancers were selected for Callbacks for the ABDC Television Series (America’s Best Dance Crew). In 2013, SKIP Dancers were recipients of multiple awards at Showbiz, Starpower, Pulse Showcase & World Battle Grounds (Sydney, Aus). In 2014, SKIP Dancers were recipients of multiple awards at Hall of Fame Las Vegas & Starpower. In addition, “SKIP” celebrated it’s 30th Anniversary. In 2015, SKIP Dancers were the Winners of the Overall Dance Championship at the International Grand Prix Festival in Barcelona Spain. The years of 2016 through 2019 proved to be rewarding years as detailed in the attached SKIP Story > Honors & Awards. However, with the onset of Covid-19 in March 2020, SKIP had to shut down the studio and look for other ways to continue dance training via zoom. Covid-19 had a major impact on the operations of the studio and continual efforts were made to provide for the dancers’s safety via remote while at the same time providing dance training, wellness and mental stability & happiness by being able to continue to learn the art of dance and being able to stay healthy. Although Covid-19 made itself a 24 hour concern, SKIP was still able to close out 2020 with some Highlights as indicated in the attached SKIP Story > Honor & Awards and an outdoor Park N Play Concert, in 2021, which will most likely be a once in a life time experience for the dancers involved. The year of 2021 finished with Covid-19 still being a concern, however the second half of 2021 allowed for SKIP to resume attending National Competitions and Representing Guam with outstanding results in Florida and Guam’s own SKIP Choreographer Brian Esperon continued his efforts in making the world aware of Guam and SKIP.

The preceding are some of the highlights, however this program reaches out to the youth of the island overall, many of whom participate in training classes and the annual Christmas & Spring concerts. This program has and continues to watch our island youth begin as early as the age of 3 and grow and mature into young adults who continue to promote the program’s philosophy, both on and off island. The program, in addition to providing opportunities for obtaining college degrees, has also provided training which has helped to guide our island’s youth into gainful employment in the field of dance, by either performing on island and around the world, or teaching youth both on island and around the world. Prior program participants who have opted for a profession other than dance have proven to be successful members of today’s society, having taken the life skills learned in the program and applying them.

It has been the directors’ dreams that this program, which started in 1982, would result in the nurturing of our island’s youth to carry on the goals of the program into the many years to come, if not forever. The foundations for these dreams, to come true, have been put into place and former participants are today reaching out and touching the hearts, minds and physical well being of today’s youth as well as the hearts and minds of the community, but it does not end there. They have and continue to reach out to people

even beyond the shores of Guam and as witnessed on numerous occasions, are extremely proud to tell people they are from Guam and to exhibit and extend Guam's hospitality.

THE SKIP STORY

The SKIP Entertainment Company (SKIP) is a GUAM SUCCESS STORY! Skip originally started as a project of Children's Productions, Incorporated in 1982, known as the Sunshine Kids in Production (SKIP). Prior to the birth of SKIP, Children's Productions first staged a number of children's musicals. Soon the focus turned to dance, giving thousands of Guam's youth an opportunity to excel. Instructors and choreographers continue to come to Guam from Los Angeles and New York City to work with Guam's best. We want to especially thank all who have come to Guam to give our dancers the best training in the world! The list of choreographers who have come to Guam to choreograph, for the SKIP Entertainment Company, are the Who's Who of Dance including Ray Leeper, Tina D'Amato, Tabitha & Napoleon Dumo, Dee Caspary, Tony Czar, Tucker Barkley, Andre Fuentes (RIP), Ambrose Respicio, Cameron Lee, Gabe DeGuzman and many more.

The SKIP Dancers began touring in 1985 when the first group toured the U.S. Mainland and since that time have traveled to dance competitions and performances in the U.S. Mainland, Canada, Europe and Australia every year. In 1991, members of SKIP performed on International Star Search, aired in over 63 countries. Later that year, SKIP was once again selected to appear on Ed McMahon's Star Search. That same year, SKIP dancers appeared on the cover of PERFORMER'S EDGE, a national dance publication. During the summer of 1993, four SKIP dancers were selected to attend the first "Winners" Showcase organized by Tony Selznick in Los Angeles which was aired in California.

From 1991 through 2021, SKIP has won numerous National and International Dance Championships. One of the most exciting competitions was during the 1996 Jazz Dance World Congress held at the Kennedy Center where SKIP won the International Choreographic Leo's Gold Award, with a piece choreographed by Ray Leeper. Due to this honor, SKIP was selected as featured performers at the 1997 Jazz Dance World Congress in Weisbaden, Germany. Once again in 2001, Guam's SKIP dancers won the National Dance Championship in San Antonio, Texas and were featured on the ShowStopper televised special. International recognition was brought back to Guam when SKIP was honored by winning the Overall Dance Championship at the International Grand Prix Dance Festival in Cesena, Italy in July 2002. The competition included dancers representing 23 countries from five continents! Additional International recognition has been achieved at the Canadian National Finals in 2000, 2004, 2008, 2012 and 2016 and the Czech Republic Dance Festival in 2007. In 2004, SKIP was named the first runners-up at the ShowCase National Dance Finals on the Gold Coast in Australia and went on to win the Jr and Sr Overall Championships at the ShowTime National Finals in Niagara Falls, Canada and the StarPower National Jr Championship Title in Ocean City, Md. In 2014, SKIP represented Guam at one of the most difficult and prestigious competition showcases in the world – the PULSE Showcase in Las Vegas. SKIP won one of the top awards and was invited back as a guest to showcase. In 2015, the group once again won the championship at the European Grand Prix in Barcelona, Spain and performed at the prestigious HEAVEN beach club in Marbella, Spain.

During the past several years, SKIP has continued to win top awards in five countries including the US, Canada, Australia, Czech Republic and Italy. SKIP was also selected to audition for AMERICA's BEST DANCE CREW and made it through to the final selection. In addition, SKIP dancers have teamed up with dancers from the US and Australia as a part of EMPIRE THE CREW to win the Championships at the Battlegrounds Hip Hop Competitions in Australia.

In addition to winning numerous national and world championship titles, many SKIP Dancers have gone on to prestigious professional dance careers. SKIP Dancer, Michael Lomeka was the first and only Guam trained dancer to graduate from the Juilliard School of Dance in New York City. He toured with Mikhail Baryshnikov and the White Oak Dance Project for three years. SKIP was honored to present Mikhail Baryshnikov and the White Oak Dance Project, including Guam's

own Michael Lomeka to sold out audiences on Guam in March, 2001. Subsequently, Michael was selected as a main dancer for Celine Dion's highly acclaimed Las Vegas show.

In August 2003, SKIP dancer Tony Francisco was selected to tour and perform with Britney Spears. Following this tour, he has toured with Paulina Rubio and Ricky Martin.

In June, 2005, SKIP was selected to star in the new nationally televised series in the Philippines, Club TV which aired on ABC-5. In addition to dancing on every show, SKIP taped segments called "SKIP WORKS" a fun, instructional part of the show teaching the latest dance steps. In addition to the shows, the SKIP dancers toured across the country promoting Guam and SKECHERS Gear.

The group has become well known on Youtube – again representing Guam. During this past year – the choreography of Brian Esperon (along with the SKIP Dancers) has been recognized by TikTok as one of the most influential choreographers. He has also been recognized by Chris Brown, Nicki Minaj, Cardi B and Jason Derulo. In addition, SKIP dancers were featured on the latest Steve Aoki Music Video. These are huge honors for our island dancers to be recognized as some of the best in the world.

SKIP has also been named as one of the top 50 dance studios in the entire United States by Dance Teacher magazine. Thousands from around the world are able to read about Guam's very own, SKIP Entertainment Company.

In the summer of 2018 SKIP won the coveted Showbiz Group Icon Award which is earned by the group receiving the highest score of the entire National Finals in Anaheim.

Prior to the Covid year(s), SKIP represented Guam at the 2019 Dance World Cup in Braga, Portugal. Over 20,000 competitors from 61 countries were competing for the championship. SKIP was named 1st runner up and Brian Esperon was named as the top choreographer of the entire competition. In 2021, SKIP was able to attend the National Finals in Orlando where SKIP won the championship and received the highest score given at the Finals. In the last couple of years, SKIP was able to present two very unique concerts: June 2021 at the Park N Play Outdoor Movie Theatre and in January 2022, at the beautiful TaoTao Tasi Stage

SKIP will be returning to the National Dance Finals in July of this year in Palm Springs and Los Angeles.

The primary focus and goal of the SKIP Entertainment Company is to provide a positive influence on the youth of Guam. Through dance, students have an opportunity to develop life-long values. Most important is the development of a deep sense of self-direction so that participants can have the courage to reach for the stars. SKIP provides a balance of incredible opportunities for the dancers on Guam, including dance competitions, festivals, staged performances, television shows, and promotional tours around the world. In addition to the annual tours, in normal years, the group stages nearly 100 performances each year on the island of Guam.

ADDITIONAL INFORMATION

The SKIP Entertainment Company (www.skipentertainment.com) is unique in that it provides professional training to students who are thousands of miles away from the US Mainland. When the organization started in 1982, there was only one dance teacher on the island of Guam and he was only on island for a short time. Needing choreographers, directors Lee and Teri Knapp, contracted choreographers from the Philippines to come to Guam and teach. In 1992, SKIP started the national trend of bringing top choreographers from LA and NYC to the Guam to choreograph dances. The first choreographer from LA to come to Guam was Ray Leeper. He came to Guam many years and helped establish the quality of the group. With his choreography, SKIP won the 1996 Jazz Dance World Congress International Choreography Award at the

Kennedy Center in which 79 International groups competed. According to StarPower's Gary Pate, SKIP helped change the world of competitive dance when other studios around the country realized they could bring in top choreographers to their studios following the example of the success of the SKIP Entertainment Company. SKIP has brought an array of choreographers and workshop teachers to Guam including Tabitha and Napoleon D'umo, Glenn Packard, Dee Caspary, Tina D'Amato, Andre Fuentes, Al B, AC Ciulla, and Tovariss Wilson.

SKIP is a very family oriented organization. Everyone in the group helps take care of each other and is best friends. All of the families have similar values and goals, so parents are assured their sons and daughters are among the best peers possible. When one person in the group has a family event, the entire touring company and their families are invited! Many of the dancers who tour with SKIP have never left our 40 mile X 8 mile island of Guam prior to their first SKIP tour. SKIP dancers have been to four continents, many countries and many cities in the US Mainland.

Having raised three sons who were dancers and college football players, and now successful businessmen, directors Lee and Teri Knapp saw the value of providing a place where students can work hard to achieve their dreams. Keeping their sons in structured activities such as dance and many sports always kept them focused on living their dreams.

Although the SKIP dancers are from a very tiny island, the dreams here are just as big as any other place in the world!
